

How to install your myRealPage.com Private Office

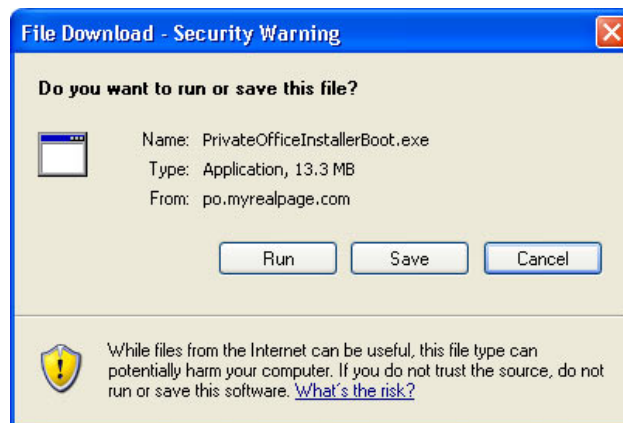

Use the following steps to install your myRealPage.com Private Office. You will need your username and password at the end of installation to access your private office.

If you require additional information or help during this install, please email support@myrealpage.com or call us toll free 1-888-478-8797.

Step 1:

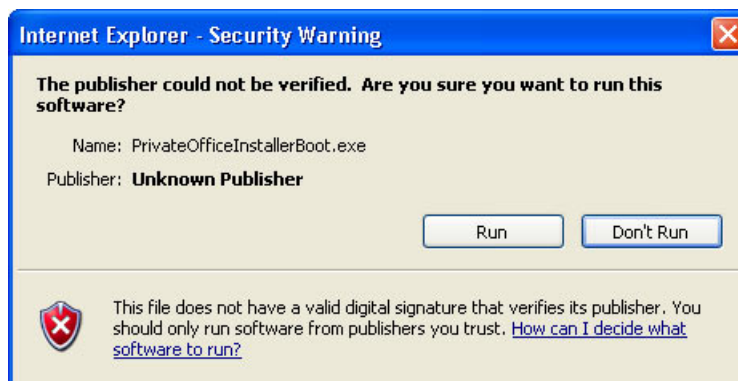

1. Go to **<http://www.myRealPage.com/download>**
2. Click the **Download...** icon on your page.

You will see the following Window called, **File Download - Security Warning**.

Step 2: Click the **Run...** button.

You will see the following Window called, **Internet Explorer - Security Warning**.

Step 3: Click the **Run...** button again.

Note: You will be installing a very small file which enables your listing data to be displayed in your private office. Microsoft XP always warns clients about downloading .exe files.

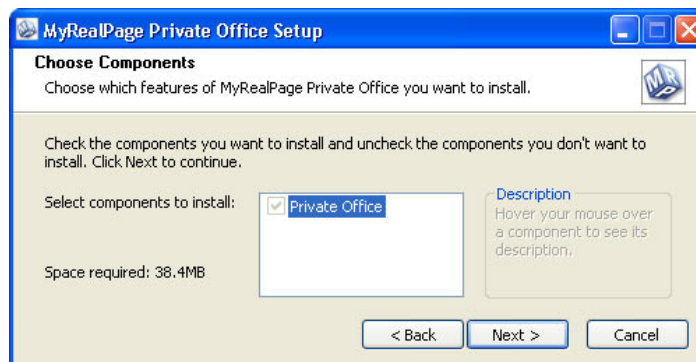

You will see the following Window called, **MyRealPage Private Office Setup**.

Step 4:

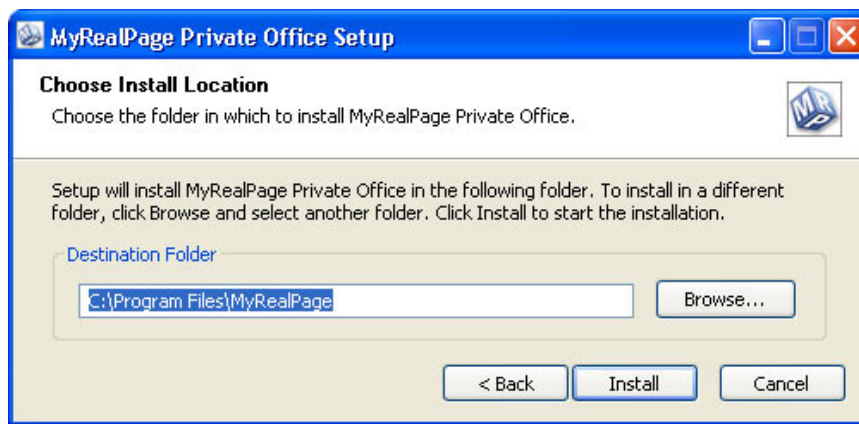

1. If you accept the terms of the agreement, click the, **I Agree ...** button.
2. If you do not accept the terms of the agreement, click **Cancel...** and the installation will be terminated.

You will see the following Window still called, **MyRealPage Private Office Setup**, if you agreed with option 1 above.

Step 5: Click the **Next ...** button.

You will see the following Window still called, **MyRealPage Private Office Setup**.

Step 6:

Setup will install MyRealPage Private Office in the following folder by default:

C:\Program Files\MyRealPage

1. Click **Install...** to start the installation.
2. Click **Browse...** and select another folder to install in a different folder.

*Note: If you select a different folder please Click **Install...** after to begin installation.*

You will now see the Private Office being installed. Please be patient, the installation takes about 2 minutes. The progress bar will indicate the approximate time remaining with the installation.

Once the installation is complete you will see the following screen, **Login to Private Office.**
